I'll never be your mother's favorite
 Your daddy can't even look me in the eye
 Oooh if I was in their shoes, I'd be doing the same thing
 Saying there goes my little girl
 walking with that troublesome guy
 But they're just afraid of something they can't understand
 Oooh well little darling watch me change their minds
 Yea for you I'll try, I'll try, I'll try
 I'll pick up these broken pieces 'til I'm bleeding
 If that'll make you mine

Cause there'll be no sunlight
 if I lose you, baby
 There'll be no clear skies
 if I lose you, baby
 Just like the clouds,
 my eyes will do the same if you walk away
 Everyday, it will rain,
 rain, rain

Ooooh Don't you say
 goodbye, don't just say, goodbye
 I'll pick up these broken pieces 'til I'm bleeding
 If that'll make it right

Cause there'll be no sunlight
 if I lose you, baby
 There'll be no clear skies
 if I lose you, baby
 Just like the clouds,
 my eyes will do the same if you walk away
 Everyday, it will rain,
 rain, rain...
